

ST PHILIP'S CATHOLIC PRIMARY SCHOOL

Giving thanks to our community

By Tommy

Let's take a stroll around Arundel,
Grab an ice cream and come and see,
All the wonders of our wonderfully, amazing town.
Starting with our emergency services,
Our community hospital, fire station and police.
All you need do is call and before you can say thankyou,
They're standing right behind you!
Then our beautiful countryside, the southdowns, wetlands and swanbourne lake,
What more could you want for a nice peaceful afternoon walk?
Take a walk down to our clubs,
Our sports, scouts and girlguiding, our arts, music and social
The list just goes on!
Go down to our churches, our cathedral and more,
And then have a nice rest in St. Mary's gate inn.
Our museum, our lido, library,
Should easily give you a nice calming day out.
We've got two schools one catholic and a C of E,
If you're lucky you'll see some of us walking, very lucky indeed!
Our historic town you could call it, saying we're remembering the past,
As you walk around Pallants, our butchers and post office,
It's a wonderful sight to see.
We were recently blessed with chestnut tree house's owls,
There's nothing better to raise money for than that!
As we head to the castle for a nice day out,
Including a trip around the gardens and a ginormous house.
What more could you want in this family, friendly place?
Wait, I know! A town council and a yearly community award!
Well guess what we have that too, our brilliant community award,
For the people who make Arundel its very best.
Which is why I just want to thank anyone and everyone,
Who makes the wonders of our wonderfully, amazing town as brilliant as they are.
